

DÉJÀ VU MED SPA

Agnes RF

Pre Care Instructions:

- Avoid retinols for 2 weeks prior to treatment.
- Avoid sun exposure or tanning for 1 week prior to treatment.
- Clean the treated area with a mild facial cleanser. Avoid acid cleansers or scrubs one week prior.
- Avoid alcoholic beverages for at least two days prior to treatment as it will increase bruising.
- Avoid NSAIDS, omegas, vitamin E or fish for 3 days before treatment.
- Reschedule if you have any active infections or cold sores the day before treatment.

Post Care Instructions:

- Apply ice pack 3 - 5 times per day, 3 - 5 min per each for the next 3 days.
- Remove dressing the morning after treatment.
- Clean the treated area with a mild facial cleanser and water. Keep it dry to avoid infection.
- Avoid alcoholic beverages for at least one week after treatment.
- Avoid NSAIDS, omegas, vitamin E or fish for 3 days after treatment.
- Make-up can be applied 24 hours after treatment.
- Report any swelling, redness, bruising, or drainage away from the treated areas or continued swelling, redness or bruising lasting more than 7 days.
- Follow up in one week for recheck. Additional treatments may be needed in 4-6 weeks.
